

The Conference Board of Directors has approved a fee increase for the National Board Examination for 2010. Beginning January 1, 2010 the NBE will be \$400 or \$200 for the Arts section and/or \$200 for the Sciences section.

The exam fee has not increased since 2004 and The Conference has absorbed one fee increase from Pearson VUE without passing any increase on to the candidates. While a fee increase is never popular, it is necessary at this time in order to continue the level of service and support that we currently provide.
